A Burnet Park Committee of Management has been established to take the Campsite into the future.

The Vision Statement is:

“Burnet Park will be a safe and environmentally friendly boutique venue, that Guides and the wider community can readily access and enjoy.

It will be “Jewel in the Crown” of the Gippsland Girl Guides Region, and will provide a variety of camping experiences and outdoor activities within its unique bushland setting.

Burnet Park will be the camping destination of choice for Guide groups throughout Eastern Victoria, as well as being available to other community based organisations.

The venue will be managed to ensure that it operates on a sound financial basis; that it covers its operating costs; and returns any surplus into improvements to the park and its facilities”

As one of the out-workings of this Committee a “Friends Of Burnet Park” has been established.

By having “Friends of Burnet Park” this group will be able to socially meet at a lovely venue while providing service to Burnet Park.

A get-together is being planned to establish how often this group will meet, what service is able to be provided, any fundraising ideas or suggestions for the betterment of Burnet Park will be forwarded to the Committee of Management.

Anyone, Guiding or non-Guiding can be a Friend Of Burnet Park. You do not need to be a financial Member of Guides. For Insurance purposes, a non-Guiding person, would be undertaking approved volunteer activities and are therefore covered by the Volunteer Worker's insurance.

For any further information or if you are interested in becoming a “Friend of Burnet Park”, can you please contact Linda.
