

GIRL GUIDES VICTORIA POLICY

GO 4

HIV AIDS and other INFECTIOUS DISEASES

Girl Guides Australia ensures its members and its employees have adequate information and instruction available:

- a) To promote the prevention of infection with viruses such as HIV, hepatitis and other infectious diseases;
- b) To protect from infection with HIV, hepatitis and other infectious diseases through appropriate hygiene and safety practices; and
- c) To protect from discrimination on the grounds of actual or imputed infection with HIV, hepatitis or other infectious diseases.

State Guide organisations are responsible for ensuring that information for Leaders on HIV, hepatitis and other infectious diseases is up to date and relevant to State requirements.
