

Boating LOG

- All holders of any boating qualifications should complete a minimum number of hours annually in their own particular field (The number of hours is determined by the level of qualification).
- Please complete a separate log for each qualification.
- Boating Logs should be kept for each boating season (July – June) and be submitted to the **Volunteer Coordinator** at June 30 each year. Please use additional form/s if more space is required.
- All qualifications must be endorsed every three years by presentation of the log or re-assessment of qualification.
- Please have someone who was with you on the day sign your log as authentication of hours spent on the water.
