

Watercraft Held in Regions

Guidelines 6.3.2 "Boat Ownership" reads as follows:

Boat ownership

A boat owned by a Guide organisation or a Unit is subject to an initial examination for seaworthiness and is inspected annually.

A boat must not be used without a current seaworthiness certificate. Assessors of seaworthiness are appointed by Guides Australia or the State Guide organisation.

In order to ensure that all watercraft owned by Girl Guides Victoria are seaworthy, can Region Managers please provide the following information.
