## *We're for Girls*

**Volunteering with Guides  
opens a world of possibilities!**

Our programs help girls to get curious about the world and make a difference in the community.

As a non-profit organisation, we rely on the work done by our amazing volunteers. By sharing your time and skills with us, you can make a real difference to the lives of girls.

## *How you can help*

There's a wonderful range of volunteering experiences available at Girl Guides! Some volunteers work directly with the girls by leading or helping out at a Guide Unit. Other volunteers shine behind the scenes by using their knowledge to help with everything from administration to video editing.

## *Use your skills*

From mentoring girls to wrangling computers, we value every volunteer's unique strengths. Whether you're a stay-at-home mum, an accountant, a baker, or a CEO, your skills can help to create an environment where girls thrive.

## *Gain new skills*

We offer a range of excellent training opportunities. Become qualified in Youth Mental Health First Aid or CPR. Learn how to cook creative camp meals. Go rock climbing or orienteering. Gain leadership experience by becoming a Unit Leader. Volunteering with Girl Guides looks great on a résumé!

## *Time commitment*

We're a flexible organisation. If you're able to share a couple of hours of your time with us each week, that's fantastic. If you can share a few hours over the year, we really value that as well. There are so many ways to get involved, and we appreciate any help you are able to give.
