

# Emily – Kanyaka Yakkana Ranger Guides

We hope Emily knows how amazing she is! During her Queen's Guide Award she completed so many challenges to prove her worthy of the title "amazing".

To complete her service component, Emily volunteered at the RSPCA Op Shop in Burwood and gained new skills in a retail environment. (she even learnt how to communicate with teachers from school when they walk into your workplace).

Another aspect of her awesomeness was how quickly she adapted to driving and learning to drive a manual car. Then she explained it all to us too.

Emily's German-themed night was a highlight for us. Her Black Forest cupcakes were delicious, and her German music was *fantastisch*. (That's German for fantastic – you can see we did learn something too).

Emily was our Unit Chairperson and led us all whilst finishing her Queen's Guide Award. She taught us many amazing skills and qualities that will stay with us forever. Emily is showed great leadership and kept us organised whilst completing her Queen's Guide. This is a big job and not an easy one (a bit like herding cats!) and we are super grateful to her.

We are so very proud of Emily for completing her Queen's Guide Award. May she bask in her amazing glory and enjoy every moment!
