

Nicole – Tallangatta Girl Guides

Nicole has been an inspiration to us over many years as she has worked towards first her Junior BP, followed by her BP Award and now her Queen's Guide Award. She absolutely never gives up until she has achieved what she set out to do. Nicole is so determined in everything she sets her mind to.

We should have known when she renewed her Promise swinging from the rafters of the Albury Rock Climbing Centre that we were in for a great deal of fun, and Nicole did not disappoint.

Dressing up in newspaper costume creations as we learnt about the history of Guiding in Tallangatta was hugely entertaining and we learnt so much.

We are so impressed that Nicole joined the Tallangatta State Emergency Service for her service challenge and she is still a member over two and a half years later.

An absolute favourite was the patrol camp that Nicole planned and ran for us. Working together in our patrol in a completely girl led environment, where we were able to make our own decisions and extend our friendships was something really special.

Nicole's organisational skills were well demonstrated with the activities centred on Japan that she ran at the Hume Region Camp, with a great mix of craft and active games.

Nicole is a wonderful leader and an incredibly active participant in the Tallangatta Guide Unit. She participates fully with enthusiasm and commitment and she is an amazing inspiration to us all.

We are so proud of you Nicole and congratulate you on this amazing achievement – your Queen's Guide Award.
