

Robbyn – Darebin Bunyip Ranger Guides

During the duration of Robbyn's Queen's Guide Award, she has undertaken a wonderful variety of challenges. As part of her Leadership Focus and Leadership Trefoil 3 alone, she worked as a Junior Leader with the 1st Darebin Brownie Guides for over two years. She learnt caving skills for the first time, organised a hike to Hanging Rock, learnt to drive and extended her first aid skills.

Robbyn taught the Darebin Brownies and Darebin Lake Guides all about Guiding in Germany, which included fun games and cooking activities too.

For her Service challenge, Robbyn volunteered in the Parallel Program at the Bundoora Secondary College over six months, where she worked with and mentored students who were at risk of not completing their secondary schooling.

Robbyn developed her skills in drawing in order to produce portraits of Robert, Agnes and Olave Baden-Powell to be displayed in our Guide hall.

Robbyn truly deserves to be awarded the Queen's Guide Award as a wonderful recognition of her significant contribution to our local Guiding and her wider community.
