

Rowenna – Maffra & Sale 1st Rangers

Throughout the past couple of years Rowenna has challenged herself time and again to achieve her Queen's Guide Award.

Whether it was co-managing her District's Thinking Day celebrations, to reaching out to a Fijian Girl Guide Unit and sharing the experiences of her visit with the younger Guides, she gave each challenge her all.

During Rowenna's Guiding Traditions challenge we learnt so much about Queen Elizabeth and her involvement in Girl Guides, with activities from etiquette to boating safety and simple car mechanics.

We were amazed at the wide variety of ways in which Rowenna challenged herself. She achieved her Grade 6 AMEB in flute, joined the Melbourne Youth Orchestra on summer camp and participated in Orchestra Victoria On The Move Program. And then, for something completely different, Rowenna took on her own renovation – designing and building a whole new wardrobe.

Rowenna's quirky attitude and bright demeanour brought joy and companionship wherever she went. Her approach to leadership was unique, just like Rowenna herself.

Rowenna completed her Queen's Guide Award in the same year as her VCE, working part-time and undertaking extensive musical commitments. – a completely crazy thing to do, but one she accomplished with great success.

We of the Maffra Rangers are proud of what Rowenna has achieved. Well done!
