

2019 World Centre Tour

Visit 4 of our 5 world centres AND do some additional sightseeing along the way in Switzerland, Mexico and India.

The tour is set to depart early October and return mid-November. At each of the World Centres, we will be participating in programs designed for our group.

Approximate cost: AU\$12,600 includes flights, accommodation, programmed activities and most meals.

The tour will be led by Michelle Winn, a former GGSA International Manager, who has visited all four world centres and participated in a previous Four World Centres tour. She is an experienced contingent leader. Phil Hoffman Travel <https://www.pht.com.au/> is providing flight and non-World Centre accommodation booking services.
