

What does this all mean for volunteers?

2019

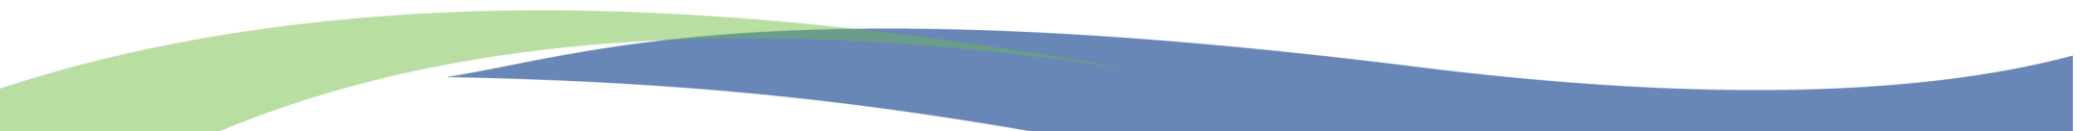

eLearning is being developed

- Leader and Management Qualifications
- Child Safe Training
- Other relevant workshops and training

Communications

- Updated PR and marketing resources available in print and online
- Jargon and 'myths' removed from communications to make Guiding more accessible to more potential volunteers and youth members

Administrative Resources

- Continued streamlining of the database and adding/improving features
 - Continued streamlining of services (volunteer onboarding, youth member enquiries etc.)
- 

What does this all mean for volunteers?

2019 and Beyond

Strengthening and Diversifying our Volunteer Base

- Centralised Skills Register (database) is being developed
 - Updated Passports to take advantage of eLearning (mixed face-to-face and eLearning curriculum)
 - Training (in addition to Learning and Development) that supports volunteers in their own development, and strengthens their ability to deliver program
 - Continue to look for opportunities for job-sharing
-
