Would you like to hear more?

Kathryn, has volunteered at refugee camps in Greece. If your unit would like to FaceTime her and hear about her experience than please email and we will connect you.

We also have representatives from World Vision available to come and speak with your unit about the work they do.

1 WHAT IS A REFUGEE CAMP?

Research information about refugee camps. Where are some located? What type of shelter, food and activities are available?

SHARE WITH OTHERS WHAT YOU HAVE LEARNT

2 CHILDREN IN REFUGEE CAMPS

Children in refugee camps have very few things to play with. Pretend you are visiting a refugee camp to run a Guide activity day.

WRITE OUT THE GUIDE PROGRAM YOU WOULD USE TO ENTERTAIN THE CHILDREN.

3 EVACUATING

Imagine you have to leave your house in an emergency, and you are unsure when you will be returning.

DRAW A PICTURE OF YOUR BACKPACK AND THE ITEMS YOU WOULD TAKE. DISCUSS WITH YOUR UNIT.
