

Paige Mann

Paige has had a wonderful journey through Girl Guides. Starting Guides at the age of six, she has taken every opportunity to experience many activities, events, and camps including National and International camps. She inspired us all by setting her goals and challenging herself to achieve her Queen's Guide Award.

Paige enjoyed completing the components of the Gold Endeavour, and has gained a lot of experience and skills. To complete her service component, she volunteered at the St Vincent's Op Shop in Shepparton and gained new skills in a retail environment. She researched and compiled the history of the Invergordon Girl Guide Group. Gaining her marine boat license enabled her to extend her passion for camping and fishing with her family. Paige took the Junior Guides on an imaginative 'trip' to Ireland and explored their culture, traditions, and food. She encouraged her peer group to have an in-depth discussion about the Promise and Law, which resulted in an honest and heartfelt sharing of thoughts. Using her leadership skills she has inspired, organised, and participated in many Patrol activities.

For her Interest, Paige chose to learn and practice aerial yoga. She has continued with this new interest for well over 12 months. She is incredibly proud of the improvement in her fitness levels and loves how the meditation is so good for her soul.

Paige travelled to Canada to SOAR camp and also attended the Sydney International Jamboree. Using these amazing experiences, she completed her World Guiding Focus.

Paige's abilities, leadership skills, and confidence have developed enormously over the past few years. She lives her Guide Promise and Law to the best of her ability. She has grown into a caring and responsible community member of which she can be very proud. We consider Paige to be a very worthy recipient of the Queen's Guide Award, and congratulate her on her amazing achievements. We wish her well in all her future Guiding and life endeavours.
