# GIRL GUIDES, IN YOUR POCKET!

## Weekly Challenge

### Learn a new skill:

This week's challenge is to teach yourself how to make a new meal, with the added challenge that you are only allowed to use ingredients from your pantry and fridge. No buying anything new!

See what tasty masterpieces you can come up with, and, with your parent/guardian's permission, share via [ggtv@guidesvic.org.au](mailto:ggtv@guidesvic.org.au) or [GGTV Hub!](#)
