

CREATED BY GIRLS, FOR GIRLS

# GIRL GUIDES, IN YOUR POCKET!

## Weekly Challenge

Design a flag for your household and find somewhere to display it inside or outside.

Think about what makes your family special... do you love cooking together? or going for bike rides? or caring for your chickens? Use these ideas to make a flag unique to your family.

Don't forget to share your flag with your Guiding friends on the [GGTV Hub!](#)
