

CREATED BY GIRLS, FOR GIRLS

# GIRL GUIDES, IN YOUR POCKET!

## A badge you can link this activity to:

Technology Trefoil 1, part 1 and 3.

Choose one of this week's construction activities and get scientific!

Want to make the best (strongest, tallest etc.) tower? Excellent! Write up a plan listing your materials, construction, and the time you think it will take. Then make it and test it out. What works? How can you improve it? Make notes, improve it, and test it again! Share what you discover with your Unit.
