## BADGE LINK

### Explore a Challenge – Friendship

One of the challenges in this badge is “Do a secret good turn for someone special.”

You could make an activity booklet for a friend, family member, or a neighbour. Make it fun, challenging, and interesting for them. You could leave it on the family member’s bed or kitchen table for them to find, or if it’s for someone outside of your house, leave it in their letterbox.

### Create a Challenge – Hands

Give the finger/hand paintings a go.

Did you find this too easy? How could you make it more challenging?

- Try double-dipped colours
- Use fine pens, like Sharpies, for added details
- Create other ways to make the butterfly wings
- What can you use to add different textures?

What else could you do towards this badge?
