

## SEGMENT INSTRUCTIONS

### Abstract Artwork

#### What you need:

- Canvas
- 3 x plastic or paper cup
- 3 x washable paints
- Skewer or screw driver
- String
- Old clothes that can get dirty
- Open space outside
- Plate

#### Instructions:

1. Place your canvas on the grass (where it doesn't matter if paint goes on the ground).
2. Poke a hole in the bottom of a cup using skewer or screwdriver.
3. Place cup on the plate so that the hole is against the bottom of the cup where the hole is.
4. Get 1 meter of string, and tie tightly around the top of the cup. Then hold remaining string in hand.
5. Pour one colour paint in the cup on the plate, and fill until about  $\frac{1}{3}$  full.
6. Take cup over to the canvas, then remove the plate and swing! Allow paint to fly onto canvas below.
7. Repeat steps 2-6 for other colours of paint.
8. Allow to dry.
9. Display and enjoy!
