

## EXTRA PROGRAM IDEAS

### More recycled or upcycled gift ideas:

- Save empty glass jars and make vases, fairy jars, tea light candle holders, etc. You could even try making a [Constellation Jar](#) from GGTV Episode 4.
- Repaint an old pot, and put a plant cutting in it. Watch it grow!
- Turn old cutlery or keys into [wind chimes](#) like from GGTV Episode 5 and the photo below.
- Use chalk paint to turn an old picture frame into a chalkboard.
- Make art from old books.
- What else can you think of?

Remember to share your ideas in the [GGTV Hub Forum!](#)
