

ADD-ON

Edible Bedroll

What you need:

- Wrapper from fruit leather = TARP
- Fruit leather (e.g. Froot by the Foot) = SLEEPING MAT
- One third of “fruit roll up” = SLEEPING BAG
- One “mini marshmallow” = PILLOW
- One “gummy bear” = TEDDY BEAR
- 60 cm of “liquorice lace” = ROPE
- Elastic band (to keep everything together)

Instructions:

1. Carefully open fruit leather wrapper along center back seam and layer the next four items in center of wrapper: fruit leather, fruit roll up, marshmallow, gummy bear.
2. Fold excess ‘tarp’ over the ‘sleeping bag’ at the top and bottom.
3. Fold sides of the ‘tarp’ in, overlapping to cover the ‘sleeping bag’.
4. Roll entire ‘bed roll’ tightly, and secure with elastic band.
5. Tie with liquorice, using packer’s wrap and knot.
