

## Chocolate Balloon Bowls

### Ingredients and Materials

- Chocolate
- Balloon
- Cooking oil spray

### Steps

1. Melt chocolate and stir until it is cooled down but still melted.
2. Inflate balloon and tie off. Spray balloon with cooking oil.
3. Dip the balloon into the chocolate and allow to barely set.
4. Dip again.
5. Allow to set for at least 4 hours.
6. Pop balloon and remove the balloon.
7. Use the bowl to serve food. These are excellent for banana splits!
