Create a Challenge: Hands

Make the play dough and cloud dough. What can you make using these two types of dough?

What else could you do with your hands?

- Try different play dough recipes. Which one works the best?
- Try playing Play Dough Pictionary – making the item on the card out of play dough rather than drawing it.
- Try making salt dough jewellery.
- Have you tried any of the other activities from GGTV using your hands? Here are just some of the activities that you could give a go if you haven't already:

Episode 1 – [make a rainmaker](#); write a thank you card

Episode 2 – [construct a tower](#) (using playing cards, building blocks, etc.)

Episode 3 – [finger and hand painting](#); [make a dog toy](#); [make a Connecting Calendar](#)

Episode 4 – [make a garden bug](#); [make a constellation jar](#)

Episode 5 – [create a recycled wind chime](#); clean up your local park or walking track

Episode 6 – [make a worm farm](#); [make a string hug](#)

Episode 7 – make a [party popper](#) or [alternative campfire](#)
