

BADGE LINK

Create a Challenge: Scissors

What other things from around the house could you use to make a mini campsite?

What else does your mini campsite need?

You could use some of the activities in previous GGTV episodes for inspiration:

- [A flagpole](#) from GGTV Episode One
- [A campfire](#) from GGTV Episode Two
- [A bedroll](#) from GGTV Episode Seven

How could you use these instructions to make something tiny?
