

BADGE LINK

First Aid skills are useful at home, at school, while with friends, at Guides, and beyond!

First Aid skills are generally included in the 'Practical' section of each of the Discover a Challenge badges (the badges in the Handbooks). A few of these skills are demonstrated in this week's GGTV episode, and have an asterisk (*) next to them below:

TURQUOISE
(5-7 Years)

Know how to clean a cut and put on a Band Aid.

TOPAZ
(5-7 Years)

Know how to call '000' (triple zero). With your Leader, practice answering some of the questions you might be asked in an emergency.

AMETHYST
(7-9 Years)

* Apply an arm sling using a reef knot.
* (Physical) – Learn how to treat a nosebleed and other bleeding.

GARNET
(7-9 Years)

* Show how you would treat a simple burn.

AGATE
(9-12 Years)

Make a personal first aid kit and discuss with your Patrol how you would use the supplies.

ZIRCON
(9-12 Years)

Know how to treat a person who has fainted & how to place the person in the recovery position.

JADE
(9-12 Years)

Learn how to apply a sling, splint support, and ankle compression bandage.

SAPPHIRE
(12-14 Years)

Know how infection spreads and explain the importance of, and demonstrate, correct hand-washing techniques.

DIAMOND
(12-14 Years)

* Know how to deal with an emergency: show how to position an unconscious person and show how to treat a snakebite.
