

## Flag Ceremony

Flags are always carried with pride and ceremony. The **holster** is worn across the left shoulder (the opposite side to your Girl Guide sash). The 'bucket' is placed in the middle of your body to keep the flag straight. Hold the flag with one or both hands at shoulder height, with a slight bend at the elbow.

Carry flags in the following order:

### 1. Australian flag

### 2. Aboriginal flag

### 3. Torres Strait Islander flag

### 4. Victorian state flag

### 5. New Zealand flag (*only on ANZAC Day*)

### 6. Guiding World flag
