

Information Booklet

Clifford Park

Welding, blacksmithing and mechanics

May 2021

Monthly Camp

When: 15th May 8am -16th May 3pm, 2021

Where: Clifford park Campsite - 5-7 Clifford Dr, Wonga Park VIC 3115

Cost

\$35 – includes accommodation, badge, Saturday dinner and supper and all food Sunday, activities and materials for the creations you will be making and taking home.

We will be camping at Clifford Park in Wonga Park

Who will we be camping with?

This is a joint camp with guides and scouts. The Yarra Ranges District Girl Guides will be camping together on our own campsite (including for meals etc) but for activities we will be joining in with the Clifford Park Patrol Activities teams and other scout groups.

What will we be doing?

We will be starting at 8am and setting up our tents and campsite.

Then it's time to try our hand at some new skills. While we have our own campsite we will be joining with the scouts at this event to learn some new skills by experienced and qualified instructors.

Guides will get to try their hand at making different creations using welding, blacksmithing and mechanics over the weekend.

There will also be time for more fun with a night activity.

Wear: Wear your Guide top with long pants and closed in shoes (such as runners) - NO sandals

What do we bring? - Please make sure everything is named

In a day pack/ backpack for first day please bring

- Drink bottle with water
- **A lunch box with food and snacks for the first day. No preparation for food please. The food will not be able to be refrigerated. Food for morning tea, lunch and afternoon tea is needed.**
