## What is the “Farrow Cup”?

Similar to the Lady Stradbroke Cup for youth members, the Farrow Cup is Girl Guides Victoria’s competition camp for adult members! It is an opportunity to Leaders to go Patrol camping and work as a team to develop or improve upon these skills in a safe and supportive environment. In 2022, the theme is ‘Childhood Classics’.

The Farrow Cup is designed for any adult member of Girl Guides Victoria, competing in Patrols of between 4 and 6 adults. No prior experience is necessary. Our assessors will be experienced members of the Victorian Trefoil Guild, who are excited to pass on their camping knowledge!

## **Further Information**

If you have any questions, please email the organising team at [farrowcup@guidesvic.org.au](mailto:farrowcup@guidesvic.org.au) or ring the Girl Guides Victoria office during business hours on 8606 3500.

## How to Register for Farrow Cup:

All participants and assessors need to be capable of moving around the campsite, which includes uneven terrain. If you have any medical requirements that will need extra support please contact the organising committee on [farrowcup@guidesvic.org.au](mailto:farrowcup@guidesvic.org.au).

**All participants must register themselves individually online at the Girl Guides Victoria website by 11.59 pm on Monday 20 June.**

### Register with your Patrol

If you already have a Patrol ready to go, you can tell us your Patrol name and members when you register yourself online. You will be asked if your Patrol is happy to be joined by extra members who haven't been able to organise a Patrol. Please discuss this with your Patrol prior to registering.

### Register as an Individual

Don't have a Patrol? No problems! Email [farrowcup@guidesvic.org.au](mailto:farrowcup@guidesvic.org.au) and we will help you find a patrol.

### Trefoil Guild Assessor Registration

We are in need of some Trefoil Guild members who would like to be assessors on the weekend. Assessors will use the Thank You Chalet as their base, and there is indoor sleeping option in Thank You Chalet (7 beds) or outdoor sleeping options. Assessment tasks will involve:

- Assisting with campsite assessment on Saturday morning
- Assessing campsites and gadgets on Saturday Afternoon
- Joining a Patrol for Saturday Lunch (not assessed), Saturday Dinner (assessed), and Sunday Breakfast (assessed).

Please note that Assessors will need to self-cater for dinner on Friday (or eat before they arrive) and breakfast on Saturday. It is highly important that assessors notify of any dietary requirements at registration so patrols can be informed if required.

### Forms and Application Documents

Make sure you've submitted all your forms on time because if you don't, you will lose valuable points! **Each Patrol member needs to have registered for the event as a participant by the closing date of Monday 20 June**. Your Patrol will then have just over a week to submit a Patrol Registration and equipment request form by Tuesday 28 June. Although registrations for the event go through the Girl Guides Victoria website, you will need to organise and pay for food with your Patrol.

### Attendance at the Event

Farrow Cup is a team challenge event. In order to work most effectively as a team and show respect to team mates, all participants need to attend for the full duration of the event. Any questions or requests regarding this should be emailed to the event organisers ([farrowcup@guidesvic.org.au](mailto:farrowcup@guidesvic.org.au)) by Monday 4 July.

# Assessment

Assessment at Farrow Cup is designed to help you learn more about camping, improve your skills, and encourage you to try your best! It allows Leaders to get a taste of what our Guides experience when they participate in Lady Stradbroke Cup. A copy of the 2022 Patrol assessment sheets will be distributed to Patrol Leaders in the lead up to the event.

Assessment happens at various times throughout the weekend and will include some fun surprise assessments. The majority of the assessment of your campsite is done while you are at your Saturday afternoon activity, so make sure you leave your campsite looking great!

Saturday dinner (to be cooked on an open fire) and Sunday breakfast (to be cooked on gas/butane stove) will be assessed by the Assessor eating with you. In case of wet weather, committee members will advise that we are cooking dinner on gas instead of fire.

First aid assessment will be done on Saturday morning. A gas safety quiz is also part of your first aid and safety assessment and will be provided to your Patrol on arrival. The first aid assessment will require you to hand in the gas quiz and show the assessors your Patrol and personal first aid kits, spare shoes, beanie, and sunhat. You will also be asked a few first aid questions and scenarios.

## Your Patrol will be assessed on:

*PATROL:* Camp atmosphere, teamwork, and leadership

*ORGANISATION:* Forms in on time, first aid kit, personal gear, bedrolls, personal hygiene, Patrol flag, and notice board designs

*COOKING :* Menu and choice of ingredients, preparation, cooking, food storage and hygiene, presentation, taste, and clean up.

*GADGETS:* Simple and complex gadget, flagpole, dillybag line, grease-trap and notice-board. These can be partly constructed prior to camp.

*CAMP LAYOUT:* Tent set up, kitchen area, equipment storage, fire safety, and cleanliness.
