

# MIDNIGHT LASER TAG

Come join us for a super dooper night of  
Laser Tag mayhem!

Sebastopol Senior Citizens Hall

July 22-23  
2023

# T LASER G

## WHAT DO I NEED TO KNOW?

### **Who | 14 - 29yrs.**

This event is open to our older youth members (14 - 18yrs) and Olaves (18 - 29yrs)

### **When | 8pm - 8am** (see next page for schedule)

### **Where & What |**

Guides will meet at Sebastopol Senior Citizens Hall, Sebastopol (Ballarat). They will then travel to Laser Tag with Leaders in private vehicles (or a bus depending on numbers).

Join older Youth Guides and Olaves from around Victoria for a fun late night extravaganza!

Have dinner before you arrive, though there will be some 'midnight snacks' available!

Guides can bring games to play at the Hall if they wish. We will enjoy unlimited laser tag games throughout the night, some Karaoke, plus arcade games (don't forget to bring along some coins!) There will be a chill out zone and midnight snacks available. Participants will be transported back to the Hall at the end of the Laser Tag activities for some sleep and a light breakfast before heading for home.

July 22-23

## **Supervision & Security |**

Youth members will be supervised by designated Leaders who have Police and Working with Children Checks in line with our Child Safety Policy. All third parties providing activities are required to implement their own compliance checks with their staff.

## **Contact for Guardians during the Event |**

If parents/guardians require an urgent emergency message to be given to a participant, please call the Leader in Charge Belinda Pritchard on 0474 258 598.

## **Health & First Aid |**

There will be a fully qualified First Aider on duty at all times during the event. Girl Guides Victoria relies on the information from a Guide's profile on our database regarding medical and developmental support needs to plan staff ratios at events. Please ensure this information is up-to-date online upon registration for all youth members.

All youth member medications must be handed in at sign-in to the First Aider. Please ensure all medications are listed on the Health Form (emailed prior to the event), and are in original packaging in a snap-lock bag clearly labelled with the Guide's full name and dosage instructions. Please note that GGV volunteers are not permitted to issue any medication to participants without the consent of their guardian.

## **Technology – Electronic Devices & Mobile Phones |**

Girl Guide events are great opportunities to spend time with friends, get to know others, and enjoy all the amazing experiences on offer. We strongly encourage participants to think about whether devices are needed for this event and acknowledge that GGV cannot take responsibility for their safekeeping.

In light of today's ubiquitous availability of cameras and social media choices, GGV cannot monitor and are not liable for any photos youth members share.
