

# LASER TAG

LIGHT UP THE NIGHT

Ballarat, Victoria

April 20 - 21

# WHAT DO I NEED TO KNOW?

**Join us for a night with as much fun crammed in as possible with your 14-29 aged Guiding friends from around Victoria! Activities include laser tag, movies, board games, arcade games and snacks.**

**Who |** 14 - 29yrs.

This event is open to our older youth members (14 - 18yrs) and Olaves (18 - 29yrs)

**When |** 8pm - 8am (see next page for draft schedule)

**Where |**

Guides will meet at **3rd Ballarat Scout Hall** (Ballarat).

They will then travel to Laser Tag with Leaders in private vehicles (or a bus depending on numbers).

Have dinner before you arrive, though there will be some 'midnight snacks' available!

Guides can bring games to play at the Hall if they wish. We will enjoy unlimited laser tag games throughout the night, some Karaoke, plus arcade games (don't forget to bring along some coins!)

There will be a chill out zone and midnight snacks available. Participants will be transported back to the Hall at the end of the Laser Tag activities for some sleep and a light breakfast before heading for home.

**April 20 - 21**

**Registration closes  
Monday April 4**

### **Supervision & Security |**

Youth members will be supervised by designated Leaders who have Police and Working with Children Checks in line with our Child Safety Policy. All third parties providing activities are required to implement their own compliance checks with their staff.

### **Contact for Guardians during the Event |**

If parents/guardians require an urgent emergency message to be given to a participant, please call the Leader in Charge Vanessa. Vanessa's phone number will be distributed to registrants in the health form & final information email.

### **Health & First Aid |**

There will be a fully qualified First Aider on duty at all times during the event. Girl Guides Victoria relies on the information from a Guide's profile on our database regarding medical and developmental support needs to plan staff ratios at events. Please ensure this information is up-to-date online upon registration for all youth members.

All youth member medications must be handed in at sign-in to the First Aider. Please ensure all medications are listed on the Health Form (emailed prior to the event), and are in original packaging in a snap-lock bag clearly labelled with the Guide's full name and dosage instructions.

Please note that GGV volunteers are not permitted to issue any medication to participants without the consent of their guardian.

### **Technology - Electronic Devices & Mobile Phones |**

Girl Guide events are great opportunities to spend time with friends, get to know others, and enjoy all the amazing experiences on offer. We strongly encourage participants to think about whether devices are needed for this event and acknowledge that GGV cannot take responsibility for their safekeeping.

In light of today's ubiquitous availability of cameras and social media choices, GGV cannot monitor and are not liable for any photos youth members share.
