REGISTRATION

You need to register on Girl Guides Victoria's website. Please ensure you check the closing date for the relevant training.

Upon registration, you will be asked some additional questions. Please complete these so that the GGV Learning and Development Team can effectively support you during the training.

Access the relevant Unit Leadership and Management Qualification resources from the GGV website, if you have not already done so. <https://www.guidesvic.org.au/2021/05/20/australian-learning-and-qualification-program/>

Any requests to change a booking must be emailed to events@guidesvic.org.au. Changes will be confirmed via email.

BEFORE ONLINE SESSION

It is essential that the relevant eGuiding course is completed prior to the online session. The course required for Mentors comprises two modules:

- GGV Mentor
- GGV Mentor Skills

It is expected that each module will take approximately 30 minutes to complete. You will find both modules contained within the GGV – Mentor Online Training course in the eGuiding platform.

Be familiar with the relevant Qualification Passport/s, depending on who you will be supporting as a Mentor.

Please visit GGV's Inclusion and Diversity [webpage](#), read at least one resource listed and be able to share your learnings from that resource during the online session.

We recognise that everyone is busy, and life changes between the time of registering and actual training. If you are unable to complete the relevant eGuiding modules prior to training, then you can transition to the next Mentor Training or Update. Just email events@guidesvic.org.au to arrange this.
