EXPECTATIONS

As with all Guide events, we expect that you will live the Guide Promise and Law throughout the weekend. We expect that everyone will participate fully in all parts of the program to their own ability. All Girl Guides Victoria events are non-smoking events (including e-cigarettes and vapes). No alcohol or drugs are permitted on site.

TRANSPORT

Lara Train station is approximately 400m from Mittagong Campsite.

By arrangement with the LIC, pick up from the station can be arranged.

Guides will be transported by mini bus or Leaders private vehicles, depending on numbers to the Sunday morning activities. Ratios will be adhered to at all times.

▶▶ MOBILE PHONES

It is encouraged for Guides to not bring electronic devices, and to use this camp as an opportunity to 'switch off' and connect with their peers.

However, if Guides do bring their mobile phone to camp, we require parents/carers and Guides to sign an acknowledgement upon arrival that they will agree to the mobile phone usage guidelines.

This includes: not using mobile phones during meal times, not using mobile phones after 10pm or in sleeping areas, not using mobile phones to communicate with external parties.

HEALTH & FIRST AID

There will be a fully qualified First Aider on duty at all times during the weekend. Girl Guides Victoria relies on the information from a Guide's profile on our database regarding medical and developmental support needs to plan staff ratios at events. Please ensure this information is up-to-date online upon registration for all youth members.

All medications must be handed in at sign-in to the First Aider. Please ensure all medications are listed on the Health Form (which will be emailed to all youth participants prior to the event) and are in original packaging in a snap-lock bag clearly labeled with the Guide's full name and dosage instructions.

Please note that GGV volunteers are not permitted to issue any medication to participants without the consent of their guardian.
