

Burnet Park Outdoor Camp Equipment

Tents:

- One Hi country Family Manor: sleeps 6 -8 and luggage, as new.

- Two Oztrail Hightower 8P Tents: sleeps 6 and luggage, as new.

- Two 'cork' tents (rigid metal frame, heavy canvas, no floor): very useful as kitchen/activity tents in poor weather.

- Gazebo: waterproof heavy plastic

- Pegs and Mallets available
- Other old tents not tested yet.

Camp Kitchen

This is a centrally located shed with a large veranda. It houses the camp equipment room. It has the following:

- **Power**, including lights in shed and veranda and flood lights from veranda.
- Wood fired **hot water** system connected to sink– wood available
- **Running water in sink** (plastic square bowls to put in sink for washing up). All water at Burnet Park is drinkable.
- Supplementary water from water tank, fed by rain from roof of camp kitchen. Tap at

water tank.

- **Fridge** – in equipment shed, leave turned on.

- **Kitchen box:** May not have everything you need but has fry pan, large saucepan, small saucepan, bowl, jug and various utensils.

- **Gas BBQ:**
 - Gas bottles available
- Wood **cooking fireplace** with grate at waist level.

woodshed

- **Wood available** in

- **Folding tables and chairs** in equipment room

- **No gas stoves, lets hope for the next grant!**

Campfire

- Barrel available for safe campfires in campfire circle.
- Wood available, fire buckets available
- Campfire circle with seats

Flagpole:

There is a permanent flagpole in the grounds and also several 'bush' poles and ropes to make a flagpole.
