WHAT MIGHT MY GUIDE GET UP TO?

There are some terrific activities being planned* for the event, take a look at some of the possibilities!

- Outdoor cooking
- Obstacle course
- Outdoor Craft
- Orienteering
- Simple Gadget
- Wide Game**
- Abseiling (Sunday only)

**What is a Wide Game? |

A Wide Game can be a game played over a small area (i.e. Guide hall) or over a large geographical area (i.e. campsite or town). It is an imaginative adventure game with a number of different activities/tasks/scenarios to be completed, generally with a theme. Guides aged 5 through to 105 can participate.

The aim is to use all the skills and qualities which Guides learn throughout their Guiding journey.

Wide Games require the use of creative thinking, teamwork, sense of imagination, and most importantly, a sense of fun!

*** Please note that the above is a draft (as at 1/9/2025) & activities over the weekend are subject to operational & Leader availability, weather & GGV reserve the right to change their offerings at any time, in order to hold a safe and enjoyable event for all.**

HOW CAN I BEST PREPARE MY GUIDE?

As you prepare your Guide for this event, it's important to ensure they're not only excited but also well-prepared for the experience.

We encourage them to pack appropriately for the weather, bringing clothes that are comfortable, durable, and weather-appropriate.

Be sure they have any necessary toiletries, a sleeping bag, and a water bottle to stay hydrated. It's also helpful to talk with them about event expectations - discuss the schedule, how to make new friends, and ways to be responsible for their belongings.

If your Guide has any medical needs or allergies, make sure they have the proper documentation and that the camp is aware of their health requirements. Remind them that it's okay to feel a little nervous and that events are a great place for adventure, growth, and making lasting memories.

CAMP SUPPORT

Camp Rules , Behaviour Support and Management |

As a Girl-Led organisation, we believe that jointly developing an understanding of what the event rules are is important. At the beginning of the event, the Guides and Leaders will work collaboratively to establish agreed behaviour guidelines. An inclusive and positive participant interaction will be encouraged and fostered amongst all attendees. Trained staff will always be available to work through and reflect on any issues that may arise. Whilst we will endeavour to avoid the situation, if a Guide cannot abide by the agreed group guidelines and this is having a significant impact on the event experience for them and others, they may be asked to return home at parent's expense.

We ask Guides to,

- Always treat others as you would like to be treated.
- Follow any instructions given to you by the Girl Guides Victoria Camp team and any external staff running activities.
- Be supportive of others who may be challenging themselves to try something new & feeling a bit scared.

This is an event that ANY Victorian Guide aged 5 - 9 can attend, even if nobody else from their Unit is going! Your regular Guide Leader may not be able to join you, but there will be lots of other friendly Leaders who will be attending, and we aim to group Guides from their Unit, District or Region together.

Campsite Induction |

An age appropriate Campsite Induction and orientation will occur at the beginning of the event, so Guides know where to find key landmarks and facilities, adults, and know what to do in the case of an emergency.

SUPERVISION

Girl Guides attending camp will be supervised by Girl Guide Leaders who hold current Police & Working with Children Checks & have completed Child Safe training. In addition to Girl Guides Victoria volunteers, staff members of external organisations assisting in activities will also hold the relevant Police & Working with Children Checks.

Supervision will follow Girl Guides Victoria's standard staffing ratios for overnight and adventurous activities.

EXTREME WEATHER EVENT & CANCELLATION POLICY

In the case of inclement weather conditions for the activities planned, amendments where possible will be made, to still deliver an enjoyable and safe experience for all.

Should inclement weather be known ahead of schedule, families will be notified of any relevant changes to the weekend including any change of location, event times or event postponement.

Please review the GGV Event Cancellation Policy

HEALTH | FIRST AID | ACCESSIBILITY

There will be a fully qualified First Aider on duty at all times in a dedicated First Aid space.

Girl Guides Victoria will make every possible effort to accommodate a Guide's physical, developmental, and mental health needs. To adequately plan adult:youth ratios and support additional needs, Girl Guides Victoria relies on health information on a Guide's profile to be up to date.

Please review this information on registration by visiting the **Health** tab in your Guides profile on the Member Portal.

Please be specific about food or allergies that cause anaphylaxis, distinct from food intolerances and preferences. Leaders manage numerous allergies or food intolerances at each event and it is critical we have the right information about the severity and treatment for any allergy.

The First Aid team will contact guardians to discuss any additional needs, if required.

Any necessary adjustments need to be disclosed and discussed with the event team prior to the event. We have a duty of care to all youth and adult registrants, which means that if a Guide arrives with a support requirement the team is not prepared for, the Guide may not be able to remain at the event.

FOOD & SLEEP

Food |

Guides are not permitted to bring any food to the event.

There will be Guides attending with allergies, and we will provide plenty of great food for everyone.

Bedrooms & Beds |

For those staying for the full event, prior to the start of camp, all Guides will be assigned a bedroom and a specific bed. We will endeavour to place each Guide in a bedroom with at least one other member of their Guide Unit or District or Region.

Please note it may not be possible for us to place all Guides from the same Unit into the same bedroom.

Remember : camp is also about making new friends!

At Girl Guides, our Child Protection Policy requires that Leaders have designated sleeping areas separate to the Guides.

Bedtime |

A key part of camp courtesy is bedtime, which enables all Guides to rest sufficiently, and provides a small window of time for volunteer Leaders to regroup and prepare for the next day.

All Guides and Leaders will be encouraged to get a good night's sleep. If any Guide is tired, they will be encouraged to take time out during the day and have a rest, and will be offered the opportunity to go to bed earlier than the designated time.

Please engage your Guide in a conversation about how important it is to both get sleep themselves and respect the other Guides' need for sleep and rest.

VALUABLES

Mobile Phones |

Girl Guide events are great opportunities to spend time with friends, get to know others, & enjoy all the amazing experiences on offer. We strongly encourage Guides & their Guardians to think about whether devices are needed for this event, & acknowledge that Girl Guides Victoria **cannot take responsibility for their safekeeping.**

We would recommend that phones, electronic games, and other such devices stay at home.

If Guides do take electronic devices, we recommend the following:

- When participating in activities, phones are put away.
- Permission is always sought before photos are taken of others.
- All social media posts, or other forms of media sharing are made with respect to our Girl Guide Promise to “respect myself & others”.

Girl Guides Victoria cannot monitor & are not liable for any photos youth members take or share.

If you have any questions regarding this, or if there are specific legal issues regarding custody or safety with respect to photos, contact communications@guidesvic.org.au

Guardians are able to amend their Guides photo/media permission status via the **Health** tab in the Member Portal.

Money |

There is no need for any money at the event, and we ask that it be left at home.

Event contact details for the event will be provided in the final email out to families.

If your Guide carries a mobile phone, please refrain from contacting them during the event as this can cause homesickness for your Guide & other children.
