ABOUT

Discover Britannia Park, a 44-acre Yarra Valley destination offering lodges, outdoor activities, and beautiful nature for groups and events.

Britannia Park has been owned and operated by Girl Guides Victoria since 1938. The park spans 44 acres of bush setting in the Yarra Valley, featuring 4 lodges, an activity tower with flying fox, abseiling and rock-climbing wall, and crate stacking/possum flyer available for all users. The property is well-maintained, featuring ample open spaces and local wildlife.

The site can accommodate 85 people indoors and up to 500 outdoors. There are five grassed campsites available, ranging from one acre to five acres, all equipped with outdoor toilets and shower facilities. Campsites require a minimum booking of 20 people for public use.

Britannia Park is within walking distance of the state forest, which includes Britannia Creek, Britannia Falls, and Britannia Creek Caves. The Lilydale to Warburton Rail Trail is located 4 km from Britannia Park and is suitable for biking, walking, and horseback riding.

All stays must be pre-booked and prepaid before the arrival date.

The campsite is available for day visits, short stays, or long stays. We welcome use for Guiding events, school groups, families, organisational groups, corporate groups, clubs, functions, public gatherings, and weddings. We offer reasonable rates for accommodation and camping, and if you would like exclusive use of the entire park, we also offer whole-site bookings.

There are four main entrances to the park. The primary entrance is located at 210 Britannia Creek Road, which can accommodate small buses. Coach bus entry is available at the Tarrango Road entrance. Additionally, there are four PA gates on Guidehouse Road for access to the campgrounds.

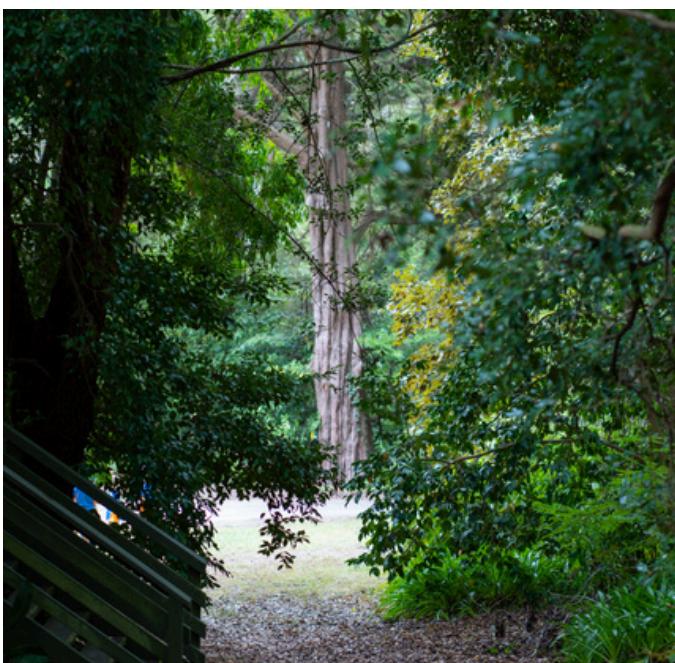

All lodges are equipped with fully functioning kitchens, including ovens, microwaves, fridges, plates, bowls, utensils, and cookware. BBQs are available for hire at all lodges. Lodges have laundered fitted sheets on the beds, but guests must bring their own pillows, sleeping bags or doonas, towels, and toiletries.

For Girl Guide activities, bookings can be made through adventure@guidesvic.org.au. An OUT.01 form must be submitted to the GGV Camping and Adventure Officer at least four weeks before your group's participation.

Public activities are coordinated by Warburton Adventure Company, which offers onsite and offsite packages specialising in large groups and schools. For more information, please contact info@warburtonadventure.com.au.

Please note that Britannia Park does not offer catering, but you may use an external caterer of your choice. We can also recommend some caterers who are familiar with the park.
